HOLLOWAY'S PILLS LOSS OF APPETITE-LOSS OF STRENGTH-LOSS OF HEALTH. DOSS OF AFFITTE - 1008 of the Land of the System is such as to immediately rolly all the vital functions, the appetite is seen restoted, a full flow of spirits quickly follows, the body breemes immensely intigorated with a centarity of restored heart; the he and a little exercise are necessary to bring about a permanent state of things. Bolkowa's Fills import tone and energy to the most delicate constitutions, and in a manner as to satisfish all who take them. By their extraordinary virtues they have obtained the largest sale of any medicine in the world.

HEAD, LUNGS, AND STOMACH. HEAP, LUNGS, AND STOMAGH.

Look to the regularity of the functions of these foundations of vitality. Holloway's Pills restore to order the slightest departure from the proper action, and therefore may be considered as the regulators of the main spring of human life. Apoplexy can always be prevented if the proper action of the bowels he attended to, which this lamous medicine never fails to accomplish. Disorders of the head and heart often terminate suddenly and fatally from obstructions in the system, which might generally be prevented by taking small and regular doses of this fine corrective. revenicus of carries and the so infullibly relied upon for ever No medicine can be so infullibly relied upon for ever fall to

No medicine can be so infallibly relied upon for ever coming all obstruction, as these Pills. They never fail to resore a healthy acuse in thoughout the system. The pears of instructions will enable all to correct the first symptoms of disease, and avert many serious maladies. Holloway's Pills soon change the sickly and tailow complexion, thus renewing the bloom of health. To femalesentering into womanhood, or at the turn of life, those Pil's will be found invaluable. They should be taken two or three times a week as a safeguard against drops, head-aches, palpitations of the heart, and all nervous infections, so distressing attertain periods.

SICA HE DACHE, INDIGENTION OR FOUL STO-MACH, AND DISORDERED LIVER.

In such a decauged state of health the food is decomposed instead of being digested, and proves poisonous rather than rait-thous. This derangement can be at once set right by a course of these purifying and digesture Pills, which have acquired for themselvés an imperishable fan e for the mestery they have constantly exercised over the digestive organs. Holloway's Tills increase the appetite regulate the liver, repress bilousness, healthly stimulate the kidness, and make aboveds in a more wholesome and natural manner than any other medicine.

1180RDERS INCIDENTS TO CHILDREN.

The liver and stomich of chil transe, from many causes, often out of order, as they are allowed to eat many things that would distance with their parents, hence their blood becomes impure, and liable to take any disease that is prevaient, and that in the worst form. One Pill, reduced to a powder, and put into a little water, given occasionally to children of twelve months old, and to those of three or four years, three Pills, and to others of soven years of age, four Pills—will always make children lock blooming and healthy. Seventy-five out of every hundred do not reach the age of maturity. Holloway's Pills would not only preserve their health, but save the lives of thousands. Many people foolishly think that children only require a

DROPSY.

This fearfal disease often makes its appearance between the ages of forty and fifty, and might generally be prevented by attending regularly to the proper action of the liver and atomach; these organs, at this time of life, have a great tendency to derange ments, when asthma, dropsy, or disease of the heart often sets in. The blood requires trequest elimination which no other medicines can so effectually perform as these purifying Pills, as they purge gently, and act immediately upon the liver and stomach, and thus remove all obstructions which at the turning point of life nlways occur. This dangerous period should be closely witched; two doces a week of about six Pill-will wand off all dangerous diseases. But in all cases of dropsy the Cirtment is a wenderful and sovereign remedy and must be effectually rubbed twice a day into the sufering parts. DROPSY. ng patta.
